Because all orders are custom, all sales are final unless there is an error made on the part of Creations By Tiffany. Items returned under these circumstances must be unused and as they were delivered. Catalog prices are subject to change without notice (prices are commonly adjusted at the beginning of each year). Customers are expected to pick items up within 2 weeks of notice that the order is complete. Items left longer than 2 weeks may no longer be available and NO refunds for these items will be issued. A deposit is required at the time of the order and the balance is due upon delivery. Payment may be made in the form of cash or check. Bounced checks will result in a \$20 service fee. Credit card payments may possibly be arranged via Pay Pal at the owner's discretion; a service fee will be assessed to all Pay Pal payments. By signing, you are agreeing that the above is what you are ordering and that you agree to pay for these products.
